

Legacy Giving Guide

Your kindness can give abandoned dogs in Serbia a second chance.

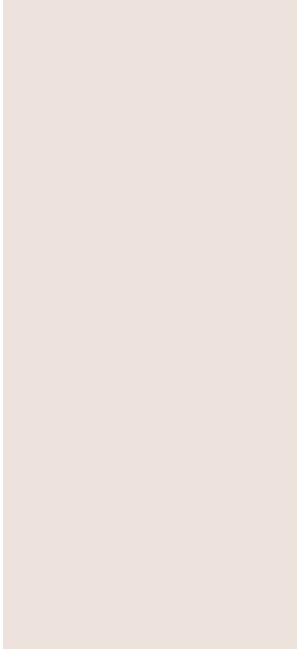

A Message from All of Us at Whispaws

Every day, animals find safety, love, and a fresh start at Whispaws thanks to people like you.

By choosing to leave a gift in your Will, you help build a future where every dog is cared for, fed, and loved. Your compassion lives on in every pawprint, every gentle tail wag, and every life saved.

From all of us, and every dog whose life you'll touch, thank you for considering such a meaningful way to support Whispaws.

Why Your Legacy Matters

At Whispaws, we rescue, rehabilitate, and rehome animals who have nowhere else to turn. Many arrive frightened, neglected, or in urgent need of medical care. Because of kind people who remember us in their Wills, we can be there for them, no matter what tomorrow brings.

When you choose to leave a gift, you can decide how your generosity is used. You may dedicate your legacy to feeding hungry dogs, supporting medical treatment, or helping with neutering and population control. You can also let us decide where your gift will make the greatest difference.

Legacy gifts are a lifeline that make it possible for us to care for dogs in need. They help provide food, medical care, and neutering to prevent suffering, while giving every rescued dog the love, safety, and chance of a forever home they deserve.

No matter the size of your gift, it will make a lasting impact. Together, we can make sure every paw finds its place in the world.

How to Leave a Gift in Your Will

Leaving a legacy gift is simpler than you might think.

When thinking about leaving a gift in your Will, take some time to decide what feels right for you. You may wish to leave a share of your estate (known as a residuary gift), a fixed sum of money (a pecuniary gift), or a specific item such as property, investments, or valuables. Every gift, whatever the size or form, makes a lasting difference to the animals in our care.

Once you've decided, speak to a solicitor to include your wishes in your Will, or to add a simple amendment (called a codicil). To ensure your gift reaches us, please include our details as follows: Whispaws Animal Sanctuary, Registered Charity Number: 1202887, 113 Romford Road, Stratford, London, E15 4LY.

Finally, it's a good idea to let your loved ones know about your decision. If you wish, you can also tell us about your generous gift — this gives us the chance to thank you personally and share how your kindness will help create a better future for animals in need.

Your Gift, Their Future

Your Gift Can Mean:

A warm bed for a rescued dog

A full meal for a street dog

Emergency care for an injured animal

Break the cycle through neutering

A safe, loving home for a homeless dog

Every legacy, no matter its size, helps us continue the work you care about most, giving animals the love, dignity, and care they deserve.
